# Make literature an exciting part of your curriculum

## Discover great ideas to engage your students in reading

Booktalks are the most exciting way to experience the best in new and soon-to-be released children's books. As our presenters share their passion for good reading and enthusiasm for new JLG titles, you'll discover innovative ways to integrate literature into your curriculum and inspire young readers. Booktalks sessions last at least an hour, but your presenter can tailor a session to meet your needs.

Equally effective on-site or via Webinar, free Booktalk presentations stimulate a lively exchange of ideas—a unique best-practices discussion that will benefit your library and the young readers who depend on it.

## Here's what your colleagues are saying about Booktalks

I went to a JLG Booktalk . . . and that's why I signed up. I have not been disappointed! Leslie Bermel was dynamic, and even though I was aware of most of the books she talked about, I was still psyched after going to her session!

I am so happy with JLG . . . I know you know all the wonderful things about JLG, but you may not realize just how great it is for me each time my package arrives! I'm like a kid on Christmas Day!

Thank you for excellent customer service, excellent book selections, and for helping me put books in children's hands.

JLG rocks!

THANK YOU! THANK YOU! THANK YOU!  
for coming to North Carolina and presenting the program for our Reading Council! It was fantastic! Everyone really enjoyed the presentation and hopefully more people will use Junior Library Guild as a resource for books!

## The Junior Library Guild Process

### We Review

Our experienced reviewers read more than 3,000 new books prior to publication every year. Only the very best are selected for our 52 levels, from PreK to Mature Young Adult. And, nearly 95% of the titles we select receive awards or get favorable reviews.

### You Choose

You choose the levels that meet the specific needs of your library. For each level you order, you'll receive one book each month for a year.

### We Deliver

You'll have new materials every single month, all year long. Even at the end of the year when your budget is spent, you'll still have the newest books coming to your library.
